

The background of the poster is a painting. It depicts a woman with voluminous, curly blue hair. Her face is pale with dark, heavy-lidded eyes and a slight smile. She is holding a small, dark-roofed house with a chimney on her right hand. The house has several windows, some of which are glowing. Above the house, a cluster of red, star-like shapes is visible. The overall color palette is dominated by yellow and blue, with red accents. The style is expressive and somewhat abstract.
